Housing

Light the World! provides double-occupancy housing with the opportunity to request a roommate. Light the World! strives to honor participant roommate requests. Roommate requests may only be made at the time of submitting this application – changes are not permitted. If there are any discrepancies in roommate requests – e.g., conflicting or non-matching requests – the requests will be disregarded. Each participant may only request one roommate. Applicants are not required to request roommates (i.e., you can skip this portion of the application).

In the residence halls assigned there are also often a certain number of single rooms for participants. If you are not open to being placed in a single room, please indicate that here.

I am not open to being placed in a single occupancy room.

ROOM REQUESTS ARE NOT GUARANTEED.
